This weekend will help you to:

1. Find your son or daughter in
law: It is that time, or soon!
2. Blow away any concepts about
what's cool in a UC marriage!
3. Understand how our own
continued growth affects the
success of our children blessings.
4. Learn how to build the
environment that will facilitate the
three Generation objective Father
so often talks about.

Family & Clan Success Weekend

Help Wanted

For those coming from out of town we would like to offer home stays with parents / couples in the Seattle Area. If you have lodging, or even space: most of us are not picky and it is fun to get to know other couples.
